Explore with the North Star

“To encourage and provide people the best experience during their journey ” is our vision to our customers. AsiaYo is keeping discovering the most desirable living stay to the user for over the past six years. But the booking process and related policy have not been updated alongside the fast-growth of the company.

Most of the users would like to select 3~5 different stays that match their needs. Then reserve 1~2 options after a round of comparison. But AsiaYo would charge 3% of the room rate for canceling or changing the order fee. This fee would execute no matter how early the order executes.

Over **75%** of Hosts could apply free cancellation before 14 days booking order.

Over **80%** of Customers would book order before 14 days.

The revenue share from the cancellation fee was only **0.4%** below.

Over **90%** of Customers complain about the strict policy.

Product Quo & Next

Status Quo

Customers still have a low branding awareness of AsiaYo. It also has few co-ops with famous brands or chain hotels that cause most of the property they had never seen before.

Opportunity

1. Co-op with trustworthy travel review brand to extend the accommodation review.
2. Build up partnerships with chain-hotel such as Marriott, OYO, IHG, etc.,
3. Provide a map mode to view accommodation's precise location on the map.
4. Show more attraction info near the accommodation on map.
